If you're a girl, aged between 18 and 25, have a great face, figure and personality and *have never had your photograph published as a professional model* — this could be your chance to become a top model. Send in the form below with at least two nude photographs which must also show your face. If we like you we'll invite you to our studios for test shots. If you pass this 'audition' we'll use you for a professional photo session and pay you £200 for the day's work — plus expenses. You'll then become one of our 'Contenders' and will be eligible for the Competition — *provided no photographs of you are published anywhere else before your first appearance in Knave.*

Send your entry form to Knave, 252 Belsize Road, London NW6 4BT.

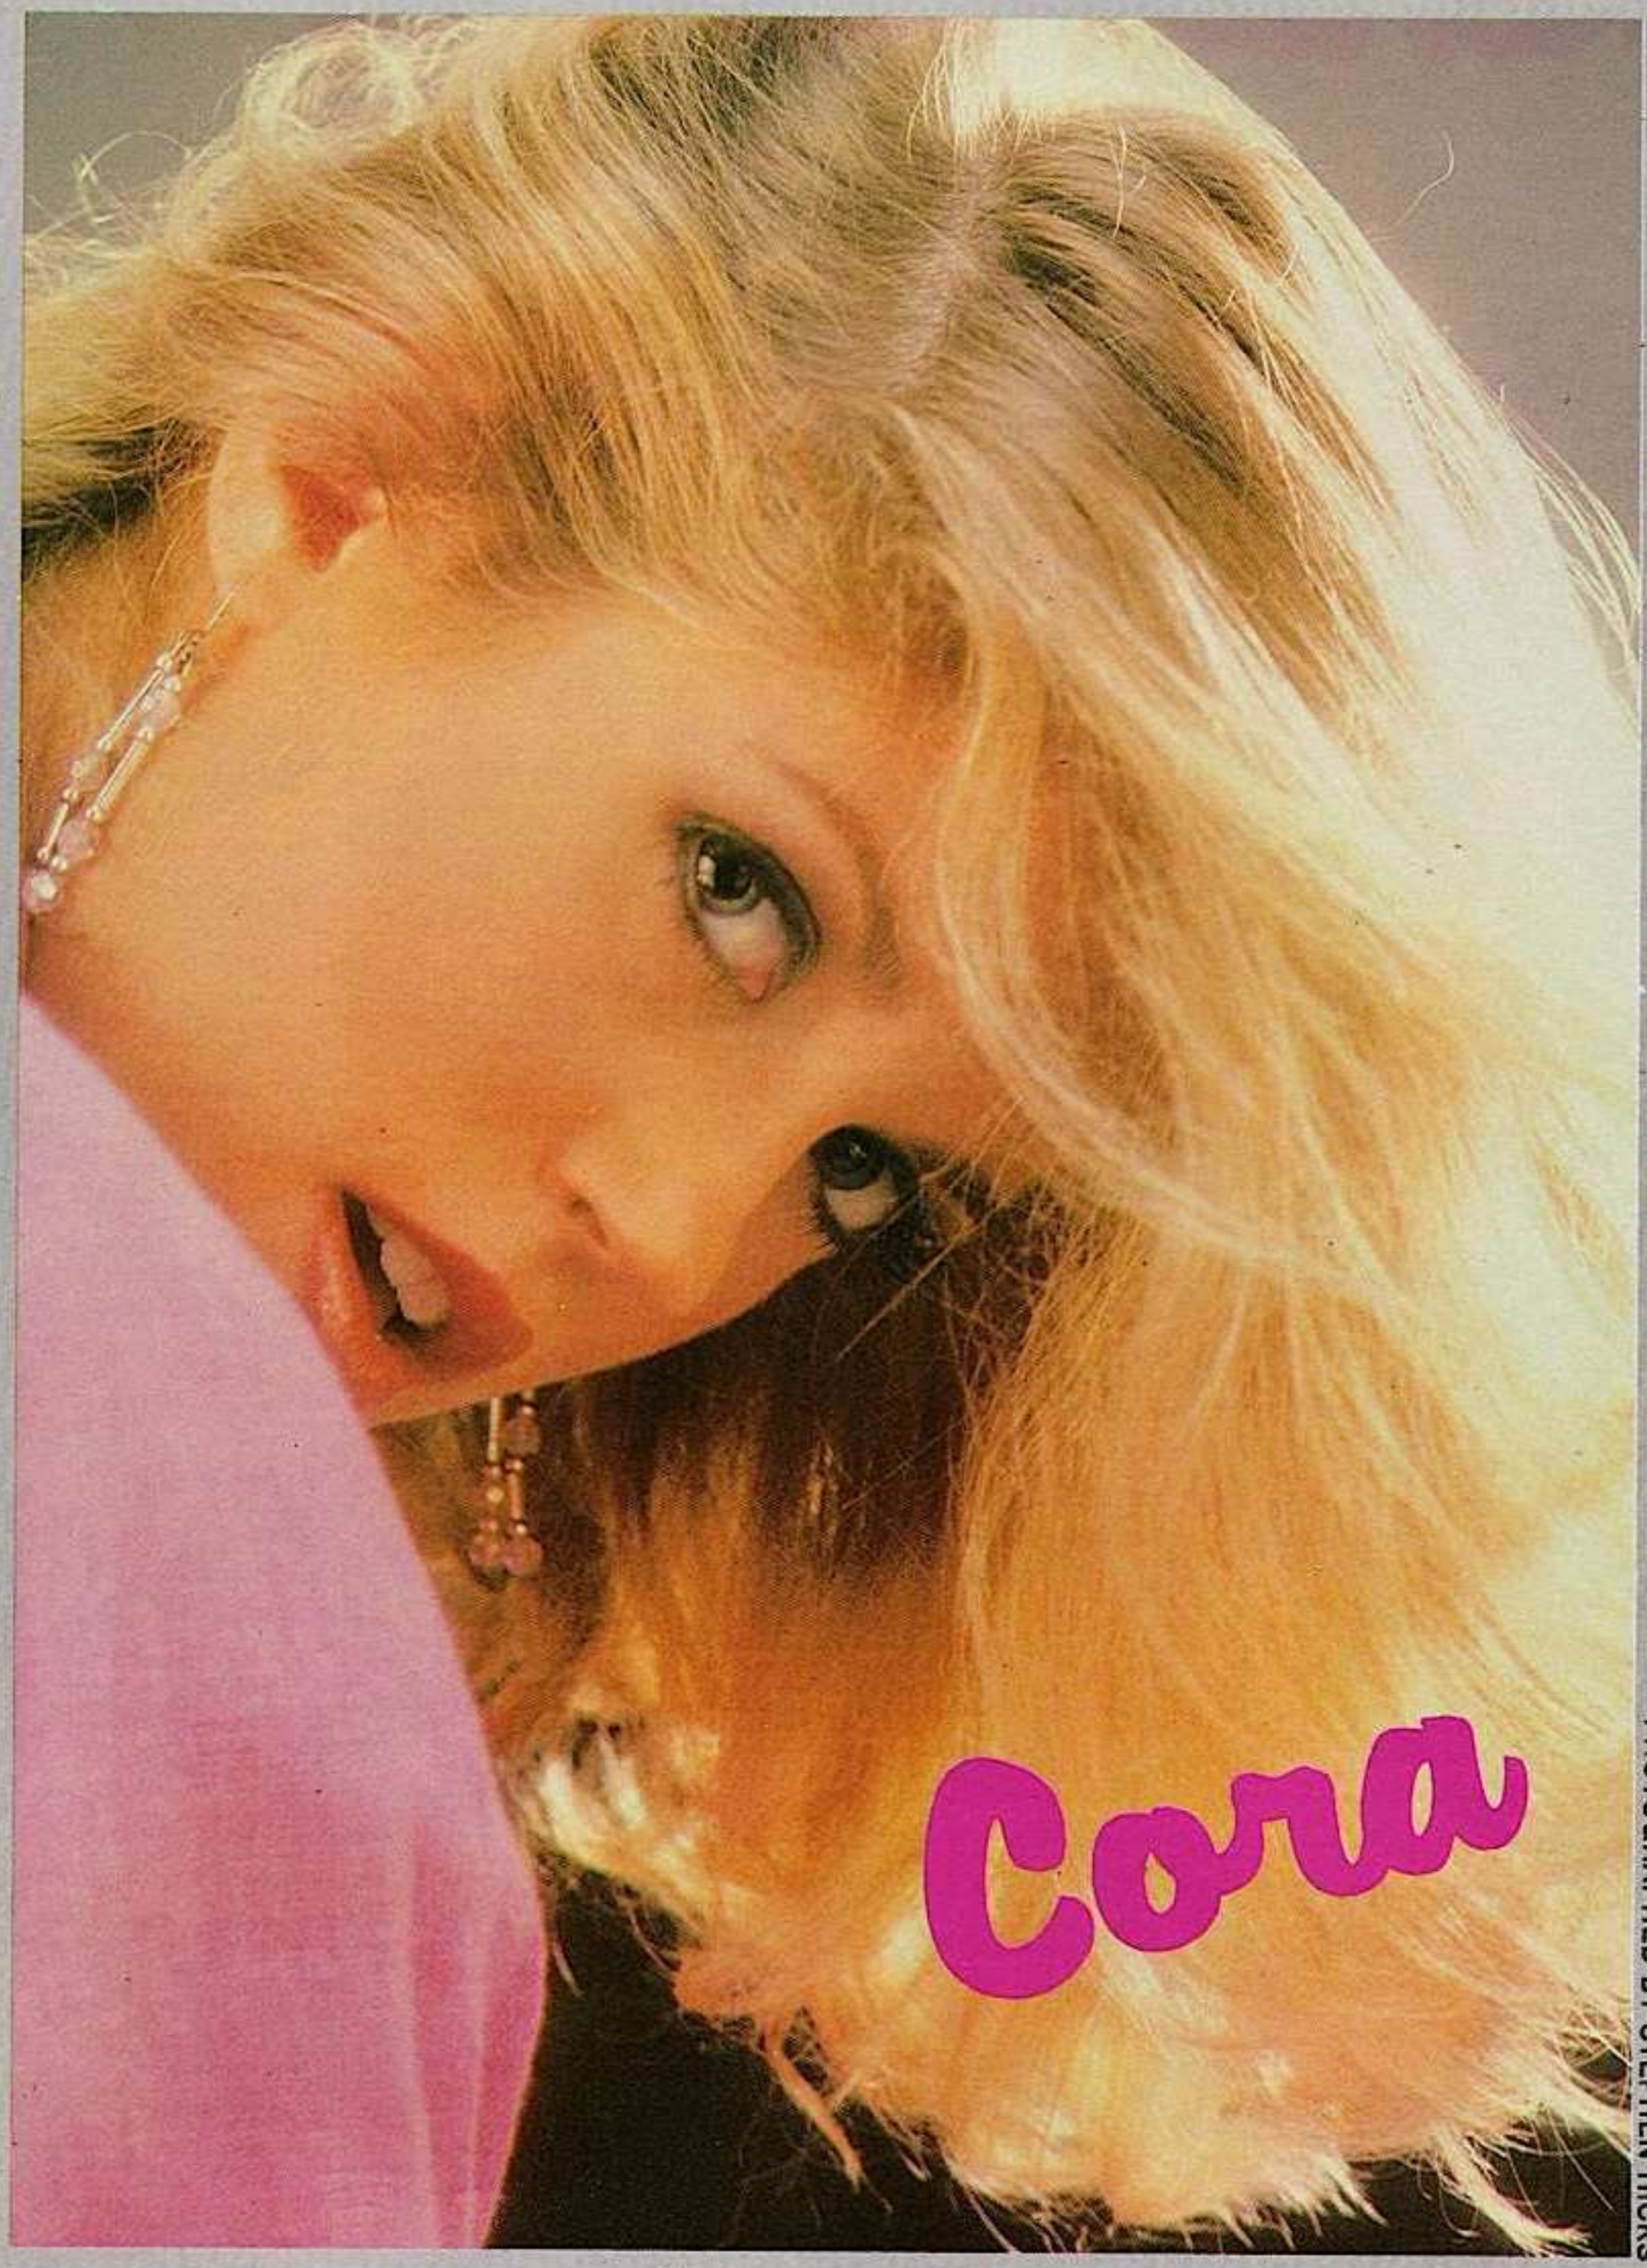
Avril

Jameson

Born and bred in one of the posher bits of Brum, Avril moved to the West Country as a kid. She now works as the receptionist for a firm of solicitors somewhere in Somerset. She only entered the competition on a dare and says she'll probably spend the modelling fee on some new clothes — if she doesn't spend it on something else first. She showed her courage by arriving alone and trembling. She went away slightly pissed and very pleased with herself, as well she might be.

PHOTOGRAPHED BY JACK ROGERS

She's 19 years old, 5' 5" tall and 36B-23-36. Her nerves vanished along with a few bottles of wine and she did very well indeed. She felt we were all very sweet and the Editor felt her bum. (He didn't really, but no doubt he would like to have done, had he been awake.) Now she's wondering about having another go at modelling. Once for a dare, twice for fun?



PHOTOGRAPHED BY STEPHEN HICKS

We're going on strike. Apart from her name, we don't know a damn thing about the lady — although it's a safe bet she's American. So you can make up your own little story about her. Got a pen?

Cora is _____ years old and comes from _____, California. Her figure measures a very trim _____-_____-_____ and she's _____' _____" tall. Her favourite hobby is _____ and she loves men with huge _____!

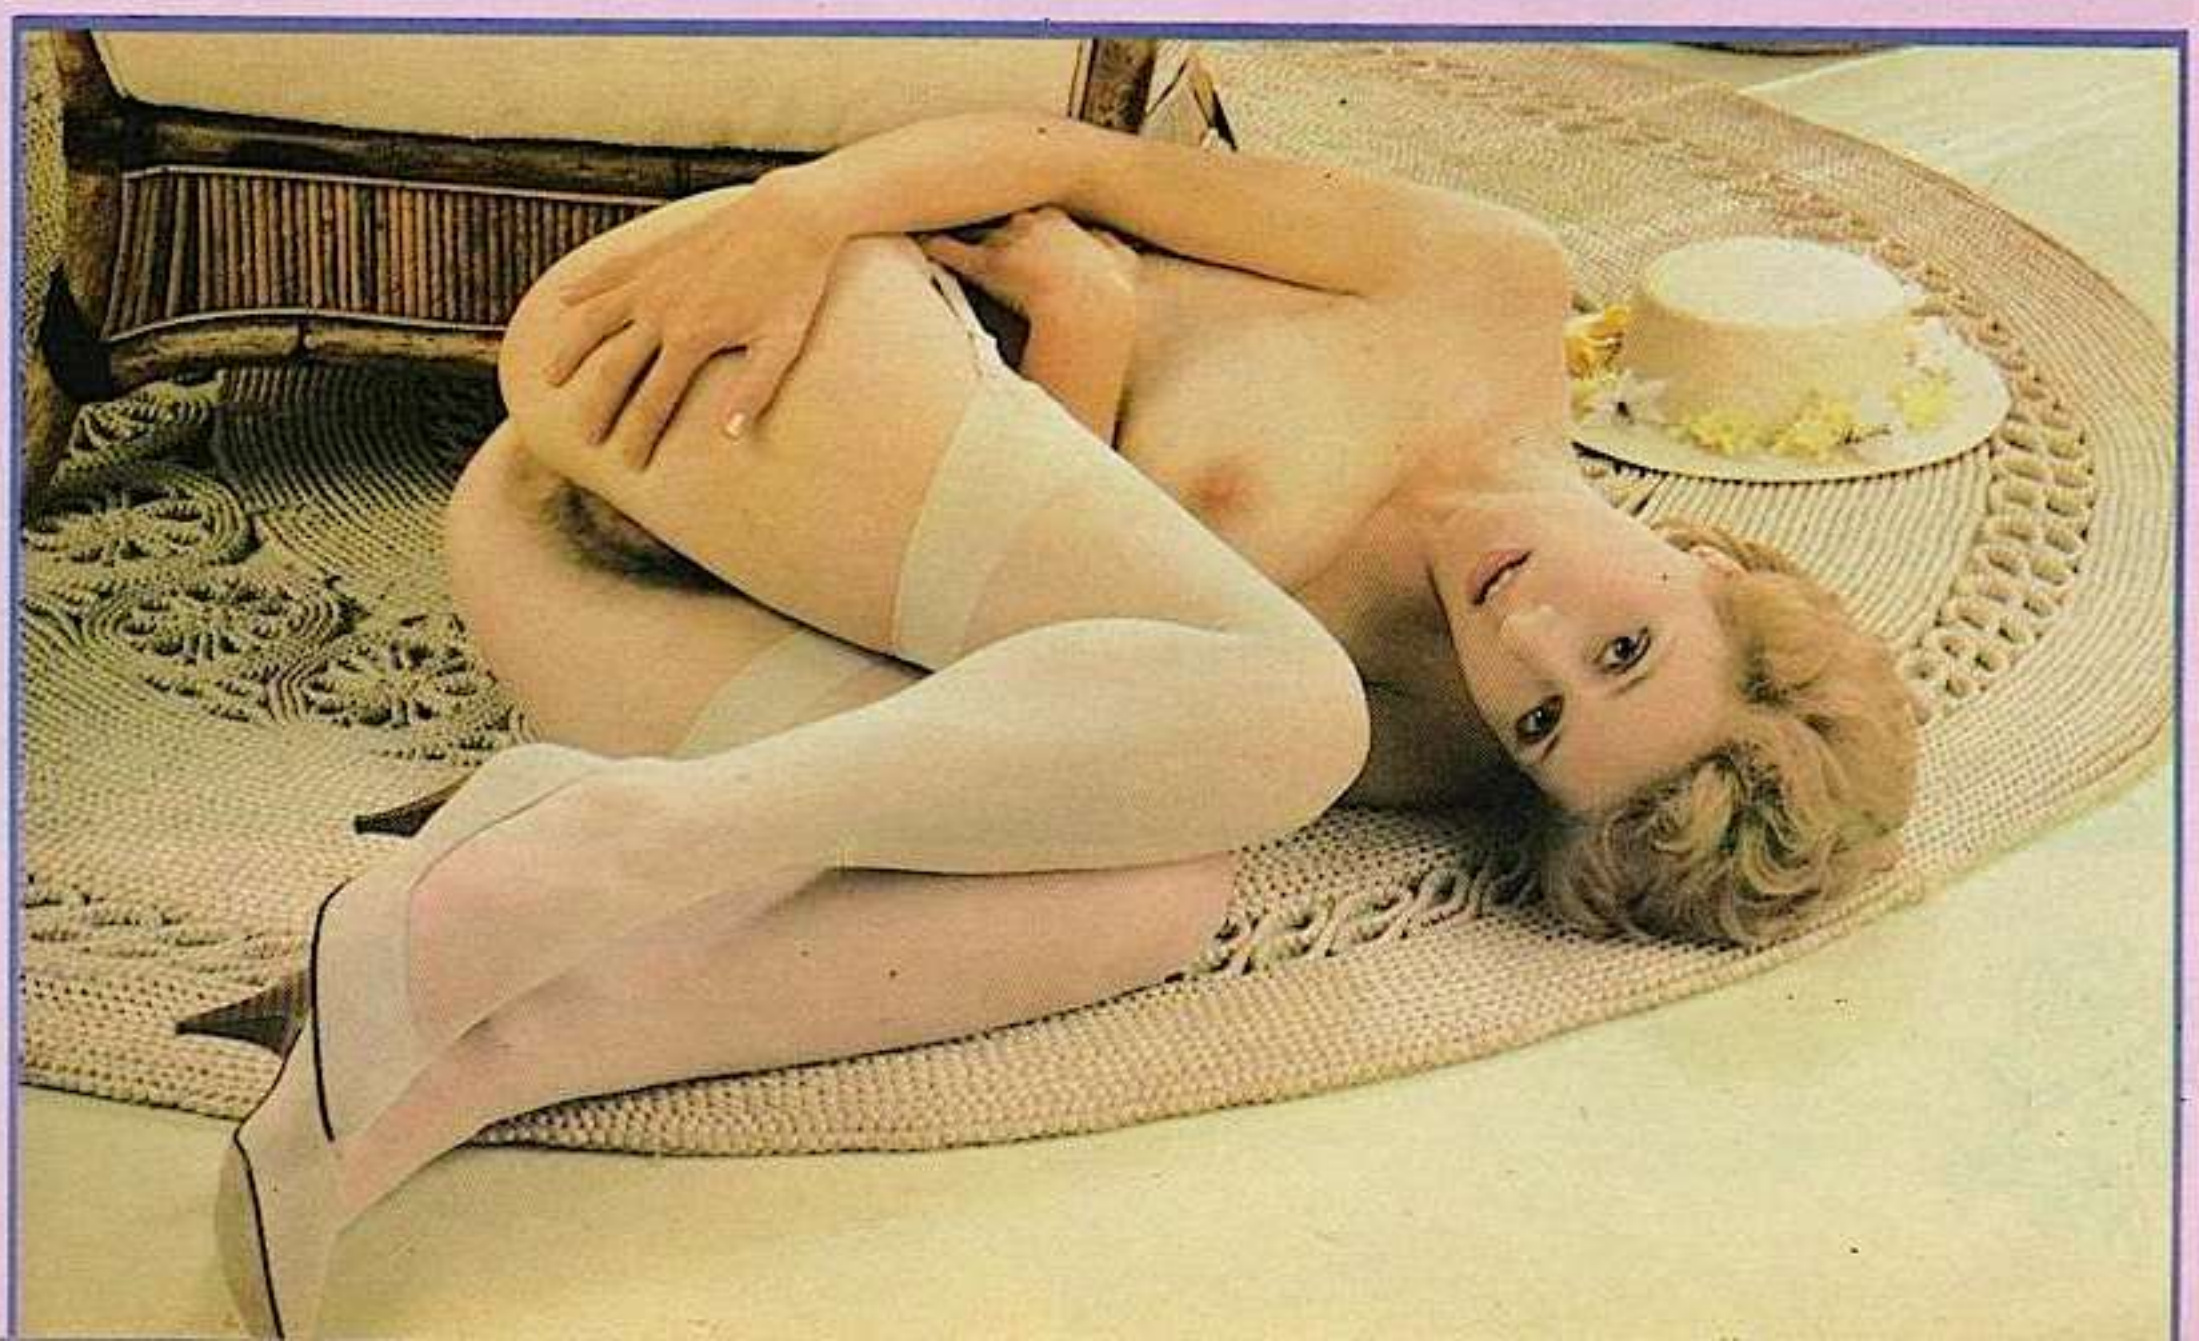
Lesley

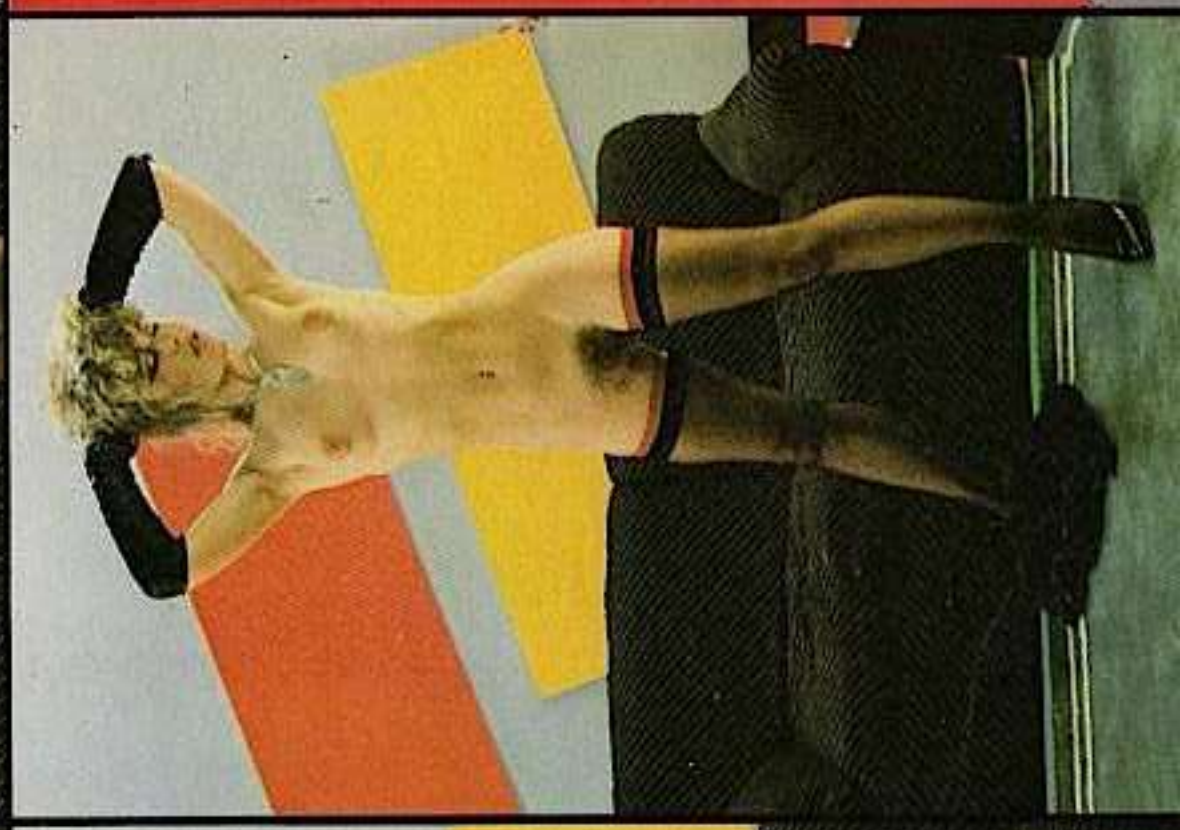
One of the nice things about Knave Amateur models is that they sometimes come back as professionals. There was a long wait for Lesley's return due to someone driving into the back of her car and putting her in traction for a couple of months. After which, she says she's gone off the whole idea of bondage for the duration. Shame.

However, here she is doing her bit as a demure little Sloane Ranger (see Caught In The Act for further info.) and being most convincing. What has excited her? Surely not that august volume she is perusing! No, it must be the news that Chelsea are playing away and Kings Road is temporarily safe for pedestrians . . .



Samantha

PHOTOGRAPHED BY K.K. JONES



She first appeared as an Amateur in Knave 16/9. Since then she has guested in our Christmas issue as Shady Sadie. Now she's back and, as we promised, we can tell you that she's 5'5" tall, just turned 19 and 35B-24-36. She still lives near Leicester and, as far as we know, still does kissograms. Are you still waiting under the clock tower? You must be bloody daft, lad!

Her cheeky smile, smouldering eyes and delicious figure would almost certainly have got her a re-booking anyway. But she guaranteed it by giving the Editor (*The Great Pervo;* Weddings and Saloon Bar Mitzvahs a Speciality) a goodbye kiss and telling him he was sweet. He says this shows her good taste. Sounds more like proof that Amplex really works . . .
